

## Request for Expedited Assessment of Visitor Visa Application

Dear officer,

I hope this message finds you well. I am writing to kindly request the expedited assessment of my New Zealand visitor visa application, which was submitted on the 6th of April. I understand that my application is currently in its final stages, and I appreciate the efforts made by the Immigration Office thus far.

I am looking forward to attending an **event** at my previous workplace, the Auckland Bio-Engineering Institute (part of University of Auckland). The event is scheduled for the **8th of May**, and I have a ticket to attend. I will also be participating in a workshop as a support person during the event, showing the importance of my being there.

The University of Auckland has covered the costs of my airfare and all other event-related expenses. My flight is booked for the **6th of May**, allowing me enough time to settle in before the event. Please find my travel itinerary attached to my application for your reference. I also have an active New Zealand bank account from my previous employment, which I can utilize for any additional expenses that may arise during my visit. The relevant bank statements have been attached to my visa application.

Given the time-sensitive nature of my travel plans and the significance of my participation in the event, I kindly request your consideration in expediting the assessment of my visa application. I assure you that I have provided all necessary documentation, and I am more than willing to address any further inquiries or concerns you may have.

Thank you for your time and understanding. I look forward to a positive response and the opportunity to visit New Zealand once again.

Sincerely,

Sankha Cooray, Bulathsinalage
