### **Invitation to Visit University of Auckland**

I would like to invite you to visit University of Auckland during last 2 weeks of November.

As discussed before, the purpose of this visit is to facilitate in-person discussion and demonstration "Kiwriious project" research work that you had been working over the last 1.5 years.

The university will support your travel and accommodation from the "Assistive Augmentations" research grant funded by Tertiary Education Commission, New Zealand.

If you need further information, please do not hesitate to contact me.

Thank You.

Yours truly,

Dr. Suranga Nanayakkara  
Honorary Professor  
Director, Augmented Human Lab  
Auckland Bioengineering Institute  
The University of Auckland
