Invitation to attend Augmented Humans 2024 for Bulathsinhalage Sankha Cooray (Passport No: N7418830), a Research Engineer National University of Singapore, Singapore

I hope this letter finds you well. On behalf of the organising committee of Augmented Humans International Conference 2024 and as a Lecturer/Assistant Professor at Exertion Games Lab of Department of Human Centred Computing, Monash University, Australia I am pleased to invite you to participate at the Augmented Humans International Conference 2024 in Monash University Caulfield Campus.

The annual Augmented Humans International Conference brings together experts from around the world to present and discuss recent advances and new perspectives on research in physical, cognitive, and perceptual augmentation of humans through digital technologies (https://augmented-humans.org/).

The purpose of your visit is to attend the conference to present the accepted paper "**Kavy: Fostering Language Speaking Skills and Self-Confidence Through Conversational AI**" and meet with conference attendees from across the Australia and internationally. The conference will be held on 4th – 6th March 2024 at the Monash University Caulfield Campus.
.
If you have any questions about the information contained within this letter, please do not hesitate to contact me.

Yours sincerely,

Dr. Don Samitha Elvitigala
Lecturer/Assistant Professor
Exertion Games Lab
Department of Human-Centred Computing

Deputy Course Director for Monash Online,
Faculty of Information Technology
Monash University
Building 74, Room G13, 8 Scenic Boulevard, Clayton, Victoria 3800, Australia
